

Winning Number Display

Live Roulette statistics for your players to make better betting decisions. No need to spend a fortune on a new wheel or on the display system!

The ACES Winning Number Display offers an attractive display of live roulette statistics at a fraction of the cost of a new wheel and current display options.

Simply add the ACES Winning Number Display solution to your existing Roulette wheel!

Customisable options to suit your needs and budget:

- Efficient & affordable controller that supports in-rim and on-rim roulette wheel readers
- On rim reader available
- 23 & 29" screen size options OR provide your own
- Single or double sided screen set up
- Customisable graphics

Empowering our Customers to Provide the Best Possible Gaming Experience
